

Newsletter – January 2025

Dear Parents and Carers,

Happy New Year and Welcome Back! We hope you all had a fantastic break over Christmas, we look forward to seeing pictures on Tapestry of all the things you've been getting up to. We would also like to say a big welcome to Zoe, Hugo and Poppy who have joined us in our Discovery room and Sebastian who will be in the Creative Room, we hope they have great fun joining in with all of the fun!

Winter - With the New Year there comes a new theme, in January, we will be exploring the topic of winter. We are going to be learning about animals that live in cold places, clothes we wear to keep us warm in the cold weather. We ask that your child comes prepared for the cold weather with their own labelled hat, coat and appropriate shoes.

Signs of the term- The new signs we are learning for the term are, 'wind,' 'snow,' 'hat' and 'winter'. Children will be learning and practicing these alongside their 10 core signs. All of these are displayed above the sign-in sheet for you to see, if you would like help learning the signs to use with your child at home then please do ask a member of staff to demonstrate.

Employee of the month- Our employee of the month for December is Abbie for all of her hard work in the Explorer Room. She has worked amazingly on toileting the Explorers as well as coming up with some fantastic craft ideas during the run up to Christmas, including our very own snow storm...INSIDE!

Parent Reviews – Your child's key person will be completing their assessments this month, so reviews will be coming up. Please keep an eye out for the Parent Review slots, which will be made available for you to book. If you cannot make the day that is allocated for your child's room then please speak with Ruth or Abbie who will look at other times.

Crumpet- We would like to say a really big THANKYOU to Finley and his mummy for taking such good care of Crumpet the rabbit over Christmas.
